

Sarah Stearns was recently featured in Dartmouth Medicine Magazine. She is an assistant professor of Psychiatry and Pediatrics at DHMC. A couple of interesting tidbits came out of the candid interview: she's run the Chicago Marathon 3 times, and she'd like to have Julia Child, Maya Angelou and Roger Federer over for dinner.

James McCutcheon has returned home to Texas as Senior Counsel in the Dallas office of Jackson Walker L.L.P. He represents clients in partnership and corporate taxation and has extensive experience assisting clients with their estate planning and charitable giving needs. James has received many years of recognition from the Washington State and Texas Bar Associations for his volunteer hours as a pro bono attorney.

Give a rouse for **Chris Bates** whose Drexel University Lacrosse team enjoyed a record setting season in 2008. The Dragons won a school record 13 games, finished the season ranked 15th on the Division I Poll, earning Chris his second straight Colonial Athletic Conference Coach of the Year award.

Our (gulp) 20th reunion is just a few months away and our fearless class leader **Kate Harrison** wants to be sure it's on your radar screen. A committee of eight brave souls, unofficially chaired by Kate herself, is hard at work to make this the best 20th we'll ever have. Mark your calendars: June 19th-21st, 2009.

Enjoy the fall and shoot us a quick update, if you get the chance.
